*"There was a child went forth every day;
And the first object he look'd upon, that object he became;
And that object became part of him for the day,
or a certain part of the day, or for many years,
or stretching cycles of years." -- Walt Whitman*

And the school teacher became part of this child . . .

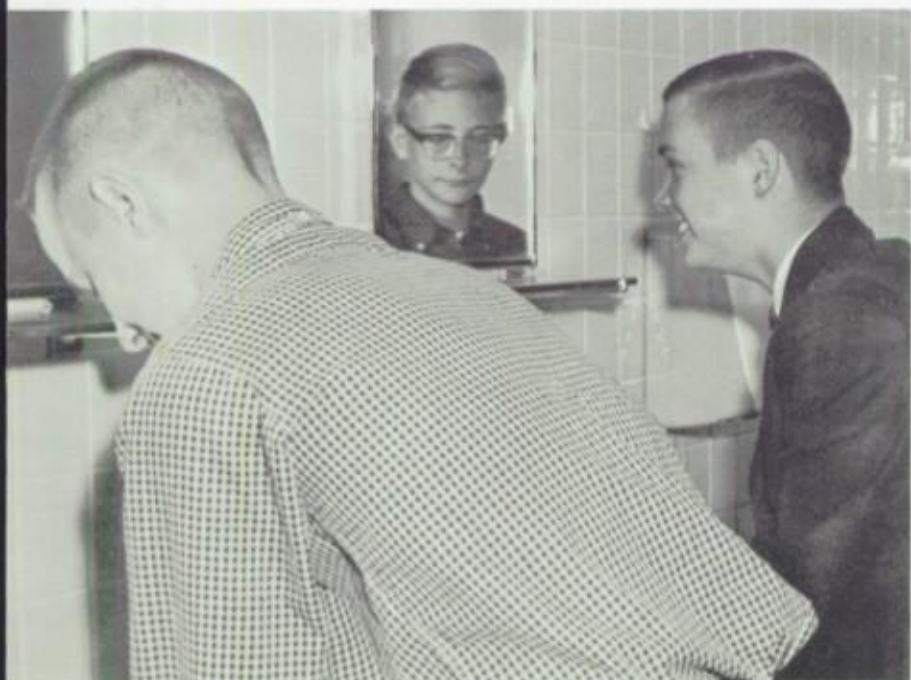

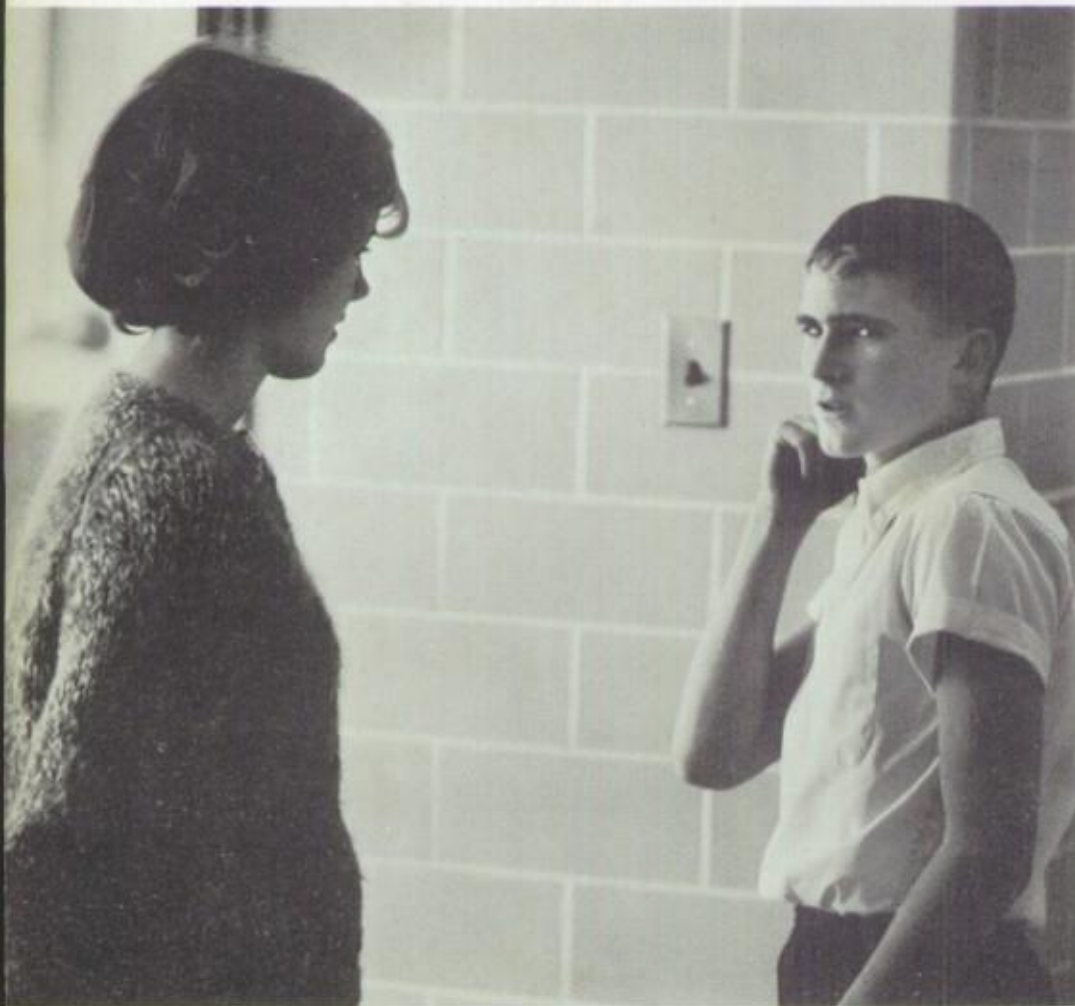

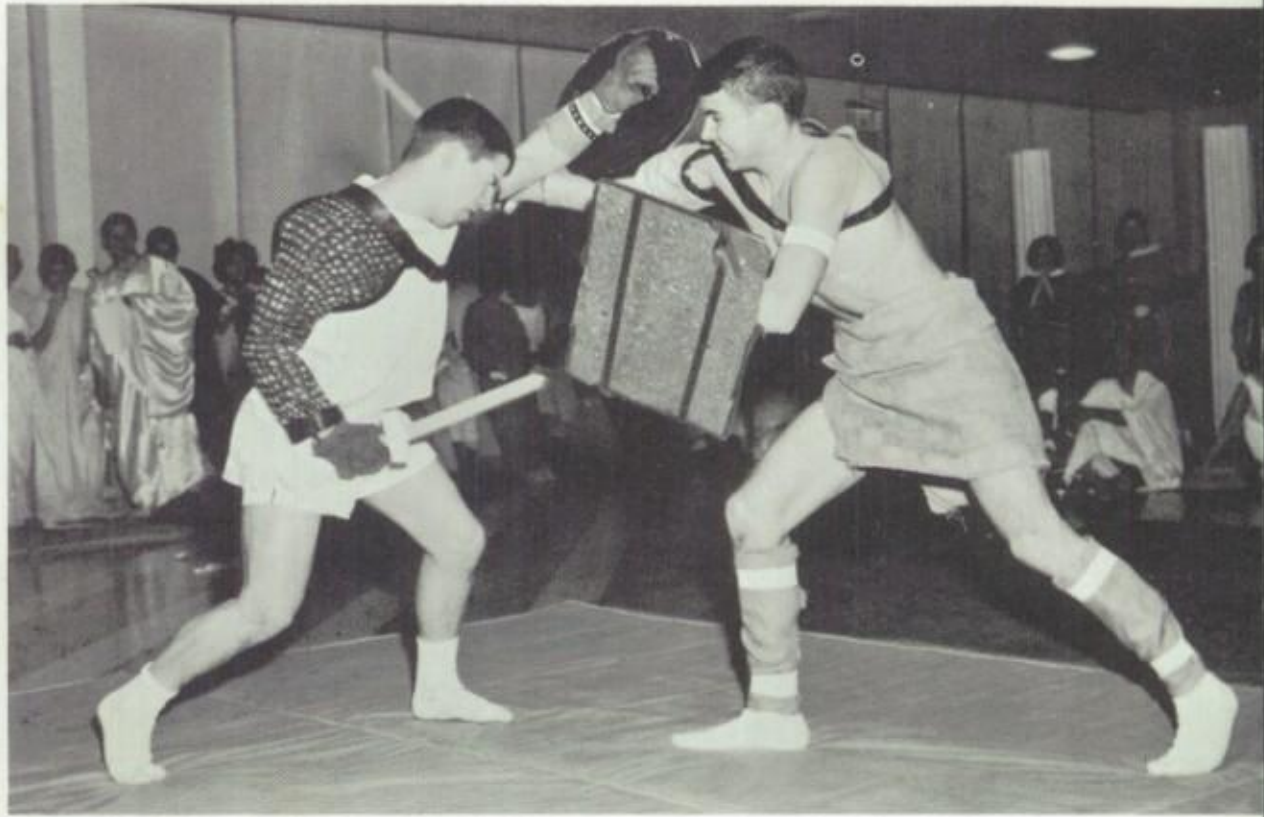

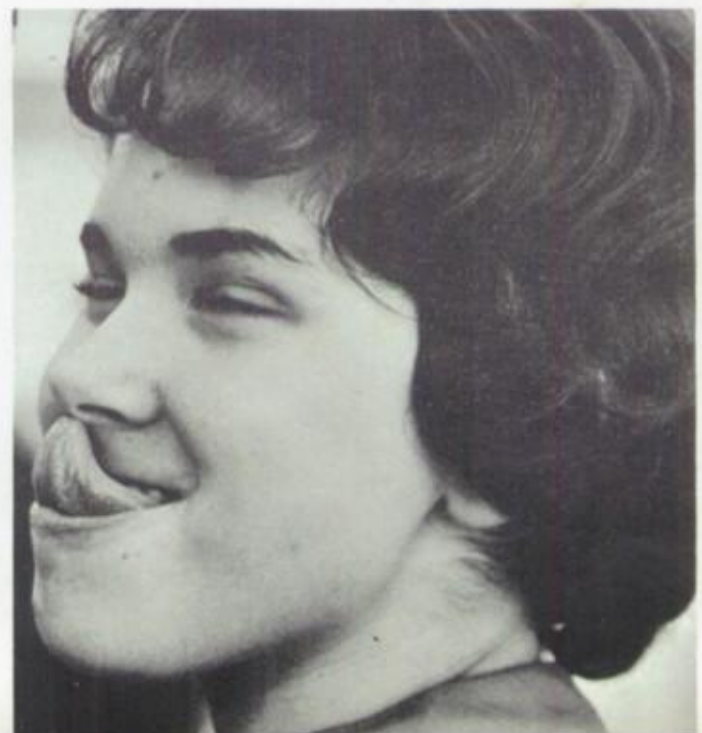

All that he did became part of this child . . .

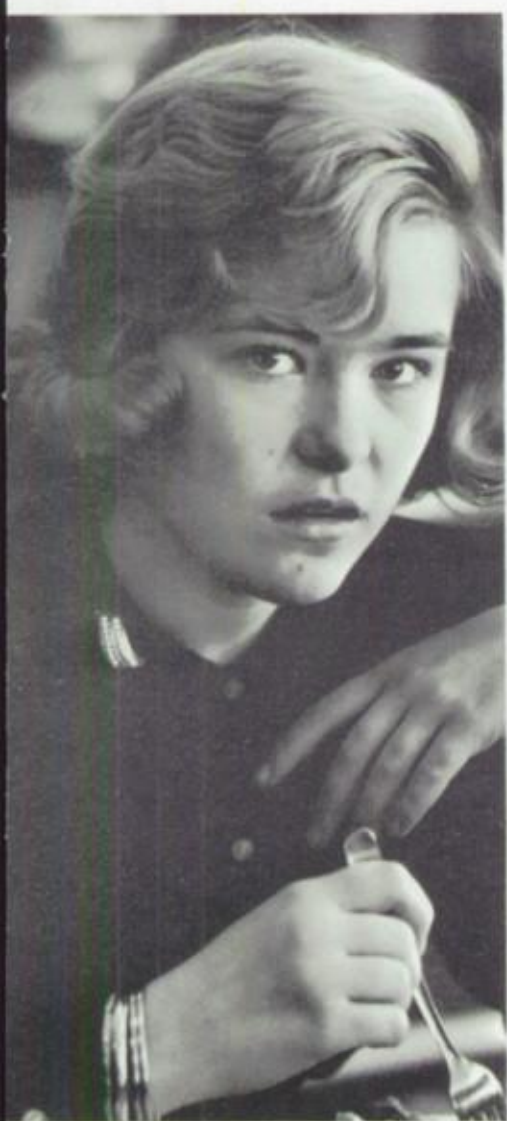

And the school teacher who

passed on his way to school . . .

BAND

The band marching, performing—hot summer practices filled with blood, sweat, tears, and more of the same—Mr. Ruzzini directing, shouting, exclaiming, “Don’t you people realize we have a performance this Friday?”—football games with marches, black uniforms, formations—a drummer wondering whether the next white line is the thirty or forty yard-line—a majorette silently cursing and hoping the errant baton went unnoticed—bus rides to away games marked with the clatter of music and men—band festivals at Norwin High School and South Park—the end of the marching band marking the beginning of the concert band—the drudgery of daily practices set off with sour notes and progress—the annual Christmas concert with annual songs—majorettes in red and green, parading and drawing whistles and gasps—more practice with blaring horns, shrill flutes, blasting drums—again Mr. Ruzzini directing, pleading—the high-point of the band year with the Spring Concert—the trumpeter wishing the solo had gone to someone else—palms sweating as the curtain goes up—applause telling the worth of the program.

FOOTBALL

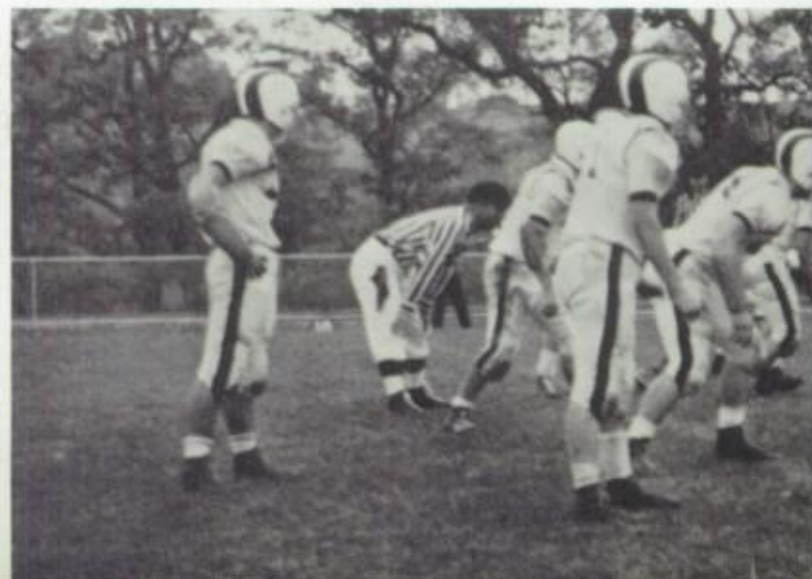

The Upper St. Clair football team, under the tutelage of Coach Merritt, advanced into Class A for the 1962 season. Playing a tougher schedule than in previous years, the team managed a 3-5 record and gained experience for seasons to come.

The season began successfully as the Panthers overcame West Mifflin South, 6-0. After losing to Snowden the squad bounced back the next week and triumphed 13-0 over McGuffey. The next weeks were the toughest for Coach Merritt's squad. Hampered by injuries to key players, the team could not seem to jell until the last week of the season, when they conquered Crafton, 13-0.

The Panthers were primarily a ground team and depended on an experienced line led by co-captains Dave Thomas and Dick Pfunder to open holes in the opponent's line. The team ended the season with 1140 yards gained rushing. Junior Dick Boal led the ground-gainers with 279 yards. He was followed closely by Ron Lockard with 256 yards and Norm Bryant with 173 yards.

BASKETBALL

The Upper St. Clair basketball squad, coached for the first time by Mr. Perinis, compiled a record of 18 wins and 4 losses—the best ever by a St. Clair team. After an opening loss to Baldwin, the Panthers racked up seven consecutive exhibition victories. They capped this string with an easy victory over West Mifflin South to win the annual Holiday Tournament. Co-Captain Dave Welder was voted the Most Valuable Player award for his excellent play in this tourney. In the opening league game, the Panthers were surprised at Avalon and came away with a disappointing defeat. The team bounced back with a victory over Crafton, but were handed a loss in a disputed overtime game at Coraopolis. Refusing to be counted out of the race for section supremacy, the Panthers handed Avonworth a two-point double overtime defeat in one of the most exciting and satisfying victories a Panther team ever had. This was the first time in three years that Avonworth had been defeated on their home court. The squad then proceeded to smash through six more league opponents. In the return match against Avalon which the St. Clair team won handily, Bob Hathaway broke a school record by scoring 31 points. However the victory string was snapped as Avonworth came to St. Clair and walked off with a 17 point victory. The Panthers ended the season with three more victories and finished second in Section 14.

The 1962 baseball team ended another successful season with an 8-4 record, finishing second in their section. Capably coached by Mr. Argiro and led by senior co-captains Frank Vanzin and Bill Zondorak, the Panthers rolled over opponent after opponent, encountering trouble with only the Montour and Moon Township squads.

The pitching burden fell on the broad shoulders of senior fireballer Terry Shields, who ended the season with a 7-7 won-lost record and an excellent 1.45 earned-run average. Terry was voted the Most Valuable Player by his teammates. Frank Vanzin was the leading hitter (for the fourth consecutive year) with a .513 average. Bill Zondorak followed with a .342 average.

TRACK

The Upper St. Clair track squad coached by Mr. Small and Mr. Wasson, had in 1962 its most successful season to date. The team set school records in every event except the 100-, 220-, and 880-yard dashes. For the first time Upper St. Clair entered boys in the hurdle races. Competing against much larger schools such as Baldwin and Chartiers-Houston, the Panther squad more than held their own over the long season. Although bad weather prohibited the team from practicing outside early in the spring, they began the season with a 64½-26½ dual meet victory over West Mifflin South. The team managed only one other victory, but the team members improved their individual records in the following weeks. Early in May the Panther thinclads qualified 13 boys for the Class B Finals. At the W.P.I.A.L. Finals at Mt. Lebanon, the season was climaxed as two Panthers qualified for the State Meet held at Pennsylvania State University. Norm Arbes placed seventh in the state in the discus, and Ed Graef placed twelfth in the high jump.

THE CLASS OF 1963

CLASS OFFICERS—Bill Stewart, *president*; Lynn Beehrman, *secretary*; Don Blackwood, *vice-president*.

What we are we shall become,
Rebels against anything but conforming all the time.
We did everything, most times accomplished nothing,
But we had fun.
Football and basketball games gave an excuse to get
out on school nights.
We fought the administration, sometimes with good
cause, sometimes not,
But always with a fierce determination
We shouted, "Infringe on our rights you shall not."
Then we chased the underclass girl down the hall.
The shortest year of our lives still had 24-hour days

But many times studying we saw the 27th and 28th
hours.
We promised never again to let things go to the last
minute—
We promised thirty-three different times.
Colleges looked at us, passed us over, sometimes asked
us in.
We didn't care—"If they don't want me, I'll . . ."
Days, weeks, and months went by and grades went
down and down.
But it was our year, we didn't care.
What we are we shall become.
